

PEEL PARK SURGERY

Patient Participation Group Application Form and Information

Thank you for showing interest in our Patient Participation Group (PPG). Our aim is to recruit more members for our already established group of named patients and clinicians who will meet four times a year to discuss issues that concern all people who visit as patients, or work at Peel Park Surgery. These issues may be about the way we develop and deliver health care, or appointments, or any topic that will help us improve our service and the expectations of patients.

This is a voluntary role and only patients of Peel Park Surgery may apply.

There is a strict Code of Conduct to which all members of the PPG must adhere and successful applications will be asked to sign a Code of Conduct agreement.

If you wish to apply for a place on our Patient Participation Group, please complete the form below and hand it in at the reception desk.
